A Sound Body & Mind Come First to Lunch Recipient

Dennis Hagen has been receiving Meals on Wheels for the past 10 years. He stated the food is "pretty good despite a little too many carbohydrates," and is grateful that he doesn't have to spend hours preparing meals or worrying about shopping.

Dennis, age 53, is originally from Livonia and moved to Ypsilanti when an apartment became available at Chidester Place. He was a tree trimmer and became wheel chair bound after an accident 23 years ago. However, being a paraplegic in no way defines Dennis Hagen or his outlook on life. Dennis wheels at least two miles a day around Ypsilanti from his home, and has become a familiar and well-loved

Serenity Home Health, Inc., established in 2004, provides quality, compassionate, personalized home care service. It also strives to be a positive contributor to the local community. Michelle states, "the owners and staff eagerly signed up to join in. There is nothing more rewarding than finding a way to devote your

time, energy and compassion to help your neighbors and give back to your community."

Stacy Gullat of Serenity says, "I have always had great compassion for the elderly. Delivering Meals on Wheels has given me a chance to meet new people and enhance my compassion. It's great that Serenity gives us the opportunity to volunteer." The nature of Serenity's services allows its employees

PRESIDENT'S

Message

On behalf of the Ypsilanti Meals on Wheels' Board of Directors, I wish to extend my heartfelt thank you to all of our supporters and encourage those who are thinking of joining the long list of givers to join us now. Our mission is simple and straightforward, "To provide nutritious meals and social contact for the home bound elderly, ill and disabled in eastern Washtenaw County to enable them to live in a healthier, safer, and more independent manner." Due to the current economic conditions in our State and locally, we have had to limit our cold meals and we have had to put a waiting list process in place; however, we are fortunate, at the present time, not to have anyone waiting – a hot meal with a smile is being delivered to all who are asking for it.

Our annual appeal theme this year – "Serving our neighbors in need" – speaks to the heart of what we are all about and what we have been committed to doing well since 1974. Of course, not only does the YMOW staff and volunteers serve 215 hot meals a day, 6 days a week, 52 weeks a year, but our many supporters like you volunteer time, in-kind services and yes, dollars as well.

There are many individuals and organizations that we need to thank in this our 33rd year of serving our neighbors in eastern Washtenaw County. Once again, I wish to give special recognition to some of our long-time supporters: The First Baptist Church of Ypsilanti, Ypsilanti Township, Superior Township, Pittsfield Township,

Augusta Township, Ypsilanti Kiwanis Club, Eastern Michigan University, and the Ypsilanti Marriott Hotel.

Thanks to you we continue to be successful in our fund-raising efforts. Even though it was a challenge this year to reach some of our prior year records, we did manage to raise **\$83,282 for our day-to-day operations and add \$6,630 to our new endowment fund.** Of course, we still need your generous contributions to support day-to-day operations. In addition to assist with longer term needs (e.g. vehicle replacement), we encourage your support of our endowment fund as well.

I look forward to meeting many of you again at our three major fund raisers:

*Holiday Home Tour –
December 1 and 2, 2007*

*Annual Celebrity Dinner –
March 13, 2008*

*Golf Outing –
June 2, 2008*

As always, I am eager to meet and thank those of you who help with holiday meal deliveries. This rewarding activity gives us and our loved ones an opportunity to do and feel good by helping others who need us, and to see first hand what YMOW is all about. Again, thank you for helping us to keep ***serving our neighbors in need.***

Sincerely,

Morelle Boone

From the EXECUTIVE DIRECTOR

In August of 2007, for the first time in YMOW history, we had to initiate a waitlist due to service demand and the lack of dollars to keep up with that demand. Thankfully, there is not currently a wait for services. The Board and staff, with the help of a development grant from the Ann Arbor Area Community Foundation, have been working on new strategies to ensure that ample and suitable meals and social contact are offered to all potential recipients in a timely manner. One of the strategies we have been pursuing is the development of new revenue sources. As a result, I am pleased to announce that Ypsilanti Meals on Wheels received a national Imagine Grant Award this year. These funds are providing start-up dollars for YMOW's first social venture, the Mobile Café. Our partner in this venture, Michigan Ability Partners, is a human service agency that provides services to homeless individuals and persons with disabilities. We are in the planning phase of this new business that will provide an option for individuals who are in need of nutritional support but would not utilize the services of Meals on Wheels. Initially, the Café will offer a variety of deli-type choices as well as fresh fruits & veggies that will be delivered a few days a week. A brief survey is posted on our website to gather information that will assist us during planning. It would be appreciated if you would take a few minutes to provide us with your valuable input.

And while you are at our website please sign our Member Book so that we can keep you informed of current news and special events.

Thanks to all of you who contributed both time and dollars this past year, with a special thanks to the Elvisfest Committee for making us their featured charity at this year's event. It is only with all your support that we are able to continue to provide services to those in need, particularly during these very challenging times.

Meals are delivered on Thanksgiving, Christmas & New Year's Day using volunteers rather than our regular delivery team. Since demand for home delivered meals has increased, we need more volunteers then ever to ensure that everyone is fed and visited on the holidays. The volunteers tell us how much they enjoy participating and many families and groups of friends have made this part of their holiday tradition.

You can volunteer for one, two or all three of the holidays. You can come with someone or come individually; if you come on your own, we will try to group you with a team. Each team delivers 4 or 5 meals, which takes approximately an hour.

If you are interested in more information or to sign up, call Ann or Kathy at the Meals on Wheels office: (734) 487-9669.

Endowment Fund

As the YMOW staff and Board predicted several years ago, the need for home delivered meals has increased dramatically while traditional sources of support have decreased. This year we experienced the highest demand for meals in our history. For the first time we had to create a waiting list for recipients, despite increased revenues from fund raising initiatives, stable expenditures and being one of only four Washtenaw United Way agencies that retained the same level of support from the previous year.

Three years ago, anticipating this increased demand and expecting it to escalate in the years ahead because of the aging population and shorter hospital stays, the Board created an Endowment Fund to help insure YMOW's financial future. The fund has grown more slowly than hoped so the Board is making a more concerted effort to increase the fund. Because we are affiliated with the Ann Arbor Area Community Foundation, all donations to the YMOW Endowment are eligible for a tax credit from the state of Michigan in addition to applicable federal tax deductions. For example, if you are married, filing jointly and are in the 30% tax bracket, the actual cost to you for a donation of \$400 is only \$80!

| | |
|--|-----------------|
| YMOW Endowment Contribution | \$400.00 |
| State of Michigan Tax Credit (50% of donation up to \$400) | - \$200.00 |
| Federal Deduction (30% x \$400) | - \$120.00 |
| Total cost to you | \$ 80.00 |

This is a very easy way to make a significant contribution to YMOW. Please consider the YMOW Endowment as you are making your 2007 charitable contributions. If you have any questions, please feel free to call the Meals on Wheels office.

Our EMU Food Service Partners

For longer than any of us can remember, Eastern Michigan University has been preparing the meals for our recipients. Over these many years, regardless of blackouts & other challenges, the chef, kitchen staff & Food Services Department have done whatever is necessary to assure that nutritious meals are prepared and are ready to be delivered each and every day. We are very thankful to have EMU Food Services as our partner.

figure to many in his path.

A self-described "health nut," Dennis indicated the importance of a healthy diet and exercise. He also stressed the value of keeping your mind active and that mental health is just as vital as physical health. "You need to take care of what the good Lord gave you," stated Dennis.

Dennis Hagen should be an inspiration to us all as he illustrates that a physical disability should not hold you back from being the best you can be and for being thankful for all of your blessings.

Volunteer Profile from page 1

to see first hand the benefits of community based programs like Ypsilanti Meals on Wheels. The owner of Serenity, Ademola Osofisan, states, "It's important for businesses to support employee volunteerism. It's a great way as a small business owner to give back to the community. We all need to be aware of those in our community who are less fortunate or simply homebound. I encourage our employees to take the opportunity to volunteer with Meals on Wheels." Serenity Home Health, Inc. would like to thank Ypsilanti Meals on Wheels for all that they do and for allowing them to give back to the community through them. The employees who volunteer hope that their involvement will persuade others in our community to see the importance of volunteering.
